

**"The better your number.
The better your life."**

HbA1c results in 5 minutes at home

**Follow the effect of changes to your therapy.
With Lysulin[®], see HbA1c changes in one month*.**

The A1CNow⁺ system from Lysulin, Inc. provides people with diabetes with a fast and easy way of getting HbA1c results — allowing informed conversations with their physician about how well they are managing their diabetes. **HbA1c test results are certified by the National Glycohemoglobin Standardization Program. Test results equivalent to laboratory testing of hbA1c.**

For more information, visit www.lysulin.com.
